ABOUT ME

I am a passionate Software Developer with a strong interest in emerging technologies and a clear goal of transitioning into a Salesforce Developer role. I am actively expanding my expertise through Trailhead. Known for my ambition and quick learning abilities, I thrive on new challenges and am eager to contribute to a dynamic team where I can grow professionally and make a significant impact.

WORK EXPERIENCE

SOFTWARE DEVELOPER

GRUPA LUCRUM | WARSAW

JUL 2024 - PRESENT

- Developing and enhancing web applications using Next.js, React.js, React Native and TypeScript.
- Independently and collaboratively executing projects – from requirement analysis to deployment.
- Direct communication with clients to define technical and business requirements.
- Implementing user interfaces and application logic in accordance with modern UX/UI standards.
- Creating and integrating APIs (REST) and working with databases (e.g., PostgreSQL, MongoDB).
- Optimizing application performance and ensuring best coding practices.
- Maintaining and improving existing projects, such as company websites, booking systems, and online calculators.

SOFTWARE DEVELOPER - TRAINEE

AGILEME SP. Z O.O. | WARSAW

FEB 2023 - JUL 2023

- Part of a small startup.
- Developed the landing page using React.
- Built the main application by implementing features in Next.js.
- Learned and worked under the guidance of an experienced mentor.
- Gained hands-on experience in modern front-end development practices.
- Collaborated in an agile environment, contributing throughout the full development cycle.
